### RECOGNISED P&I CLUBS and INSURANCE COMPANIES

P&I Clubs listed below are considered to have met the requirements of Annex 3 of IMO Circular No. 3145, issued on 6 January 2011. This circular provides guidelines on the documentation that is to be submitted to a Flag State (SKANReg) in order to be recognised as an acceptable insurance provider to issue CLC's for St Kitts & Nevis International Ship Registry vessels.

These requirements are:

- 1) adequate documentation on the company's financial standing and hence solvency.
- 2) the rating that the insurance company and/or its reinsurers hold by an independent and internationally recognized rating agency.
- 3) adequate documentation on reinsurance coverage on claims met by the company for liability incurred under the Bunkers Convention.

P&I Clubs within the International Group of P+I Clubs (<http://www.igpandi.org>) are automatically considered acceptable.
